

ISMULT: VI SCIENTIFIC WORKSHOP REGENERATIVE MEDICINE AND REHABILITATION

September 14, 2018

h. 8:00 am

Great Hall C.U.M.S.

“Leonardo Vecchiet”

Viale Abruzzo, 322

Chieti (CH)

PROGRAMME

8:00 Participants registration

8:30 Greetings from the President of the Conference and President of ISMULT

I SESSION

Moderators: Prof. Francesco **Oliva** (Roma), Prof. Rosa Grazia **Bellomo** (Urbino)

9:00 Tendon/ligaments tissue engineering: which perspectives for braided biopolymer band functionalized with growth factors and stem cells

Prof. Giovanna Della Porta - Milano

9:30 Extracellular vesicles in musculoskeletal repair and regeneration.

MD Anna Concetta Berardi - Pescara

10:00 Discussion
All lecturers

11:00 *Coffee Break*

11:30 Update to Therapeutic regeneration effects in rehabilitation

Prof. Raoul Saggini - Chieti

12:00 Frailty syndrome

MD Giovanni Morone - Roma

12:30 Update on biologic options for articular cartilage wear

MD Andrea Pantalone - **Prof. Vincenzo Salini** - Chieti

ISMULT: VI SCIENTIFIC WORKSHOP

REGENERATIVE
MEDICINE AND
REHABILITATION

13:00 Discussion
All lecturers

13:30 *Lunch Break*

II SESSION

Moderators: Prof. Raoul **Saggini** (Chieti), MD Andrea **Pantalone** (Chieti)

14:30 Shock Waves: Soft tissue regeneration
Prof. Marco Minetto - Torino

15:00 CEMP: Bone Regeneration
MD Manuela Fini - Bologna

15:30 Rehabilitation Protocols for operated osteochondral lesions. Any truths?
Prof. Antonio Frizziero - Padova

16:00 Spinal cord injury regeneration: state of art
MD Giorgio Scivoletto - Roma

16:30 Scar and dermal regeneration
Prof. Paolo Amerio - Chieti

17:00 Discussion
All lecturers

18:00 ECM Evaluation Questionnaire

• GENERAL INFORMATION

VENUE

Aula Magna CUMS "Leonardo Vecchiet"
Viale Abruzzo, 322 Chieti (CH)

50 places are available for:

Medical Doctor and Physiotherapist

CME ACCREDITATION

The provider has accredited the event (XXXX-XXXXXX) to the National Ministry of Health. No.XX credits have been attributed, which will be assigned to the participant only following the satisfaction of the requirements of participation to the whole formative program and of the evaluation of the formation.

The following verification criteria will be utilized:

Attendance verification

Frequency signatures. It is mandatory to follow the 100% of scientific sessions accredited.

Learning verification

- Execution of the learning evaluation test
- Sufficiency threshold: accuracy of at least 75% of answers
- Test typology: multiple-choices questions with only one accurate answer

CERTIFICATE OF ATTENDANCE

The participation certificate to the conference will be sent by e-mail to the participants regularly signed, which should require the certificate to the secretariat at the end of works.

LANGUAGE

English is the official language

PRESIDENT

Professor Raoul **Saggini**
